# TATOOINE REUNION

## In this issue:

1 Flights confirmed  
3 Motel Dermul

2 Change of plans

## 1 – Flights confirmed

I have made all the arrangements to book the flights for 17 people. Only Christoph from Austria will be flying direct. That means Motel Dermul (see below) will be quite full ☺! I'm actually looking forward to that.

While the rate is still a very good one, it is indeed a little more expensive than four years ago.

Return Flights were 329 EUR, all in. Due to the low value of the British Pound and the US Dollar, this may look expensive, but it is still a very good rate. Check the internet if you like, the cheapest flight you can book direct is 390 EUR which is the equivalent of 354 GBP or 590 USD. So trust me, we got a good deal.

New this year is that I'm not getting individual tickets, but ONE GROUP TICKET. Hmmm. Weird. Anyway, these are our flight details:

FLIGHT RESERVATION : 025801174  
GROUP NAME : TATOOINE2010  
DESTINATION : Brussels - Jerba - Brussels  
NO OF PAX : 17

OUTBOUND: JAF6841 SA 22/05 1250/1545  
INBOUND: JAF6842 SA 29/05 1715/2020

Christoph, since you are not flying with us, please provide me with your flight details, so we can make arrangements for our rendezvous in Sfax!

Several people still need to pay me back for their ticket. I have fronted the money for you. I need you to repay me before the end of January please. Thank you for understanding.

## 2 – Change of plans

There is a slight change of plans with regards to the Tusken Route. Since we will be landing in Houmt Souk in late afternoon, we will not be discovering the island on Day 1, but move that to the last day. There will be plenty of time to visit Ajim and Sidi Jemour on the final day, as our return flight leaves at 5 pm. That's a whole day ahead of us, so we are in luck.

We will make a short stop at the Star Wars Cantina, to get into the mood, but will then drive to Sfax directly. Upon arrival there, we'll have dinner and a short briefing for the following day.

Thus, you need to update the Tusken Trail as follows:

### Day 1: Saturday 22 May 2010

ARRIVAL: at the airport of Houmt Souk on the island of Jerba.  
**Visit:** Ajim – Mos Easley Cantina, Derelict Spaceship, Stormtrooper Checkpoint, the Falcon's Blast Off and Ben Kenobi's Hermitage  
**Route:** Le Bac across to Jorf, then long drive to Sfax  
**Dinner:** Sfax hotel  
**Night:** Hotel Sfax to be determined

### Day 8 : Saturday 29 May 2010

**Breakfast:** in Marhalla (Houmt Souk)  
**Visit:** Sidi Jemour - Toshi Station and Mos Easley Outskirts

**Visit:** Ajim – *Mos Eisley Cantina, Derelict Spaceship, Stormtrooper Checkpoint, the Falcon's Blast Off and Ben Kenobi's Hermitage*  
**DEPARTURE:** depending on when the participants have to return they will be dropped at the airport or take a taxi. Others have the last day off to visit the Island of Jerba, for example by scooter.  
Return to Earth...

### 3 – Motel Dermul

Most of you will be coming over to Belgium to stay at Motel Dermul the Friday night before we head out to Tatooine and again the Saturday night after we return, before I take you back to the airport on Sunday.

I just wanted to make absolutely sure that there is no such thing as 'Motel Dermul'. It is just an amusing way to describe the fact that you'll be crashing at my place.

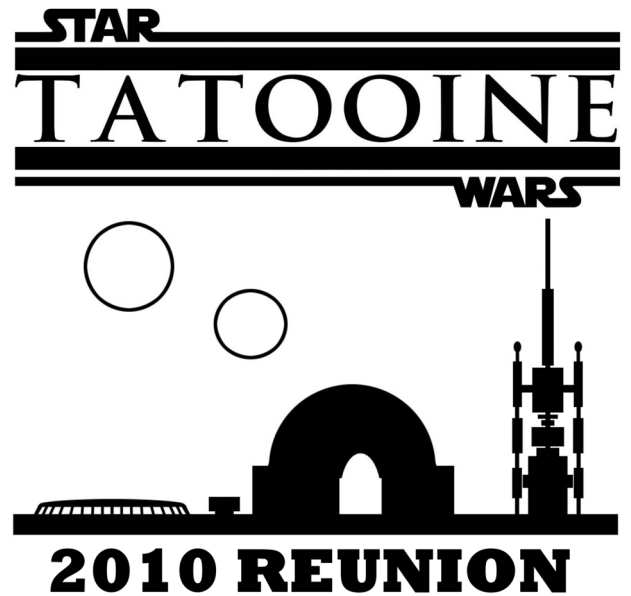

While I actually do have several bedrooms, there is no way I can put 18 people asleep in beds. This means you'll have to make due with sharing beds, the couch or even sleep on the floor (I'll make sure there are enough mattresses, though). Hey, it's just for two nights, right? We'll cope.

**TO DO :** please provide me with your flight itinerary for your trip to Brussels and back, so that I can start planning pick up at the airport on Friday 21<sup>st</sup> May and drop off on Monday 30<sup>th</sup> May. Thanks.

---

The Tusken Tribune is an electronic newsletters that can be downloaded from the Tatooine Reunion website. If you have missed out on an issue, just send me a message per e-mail at [bounty.hunter@skynet.be](mailto:bounty.hunter@skynet.be) and I'll gladly forward it to you.
